## a hyper-seasonal eatery

est. 2017

welcome to foraged! we celebrate maryland with the best local and seasonal ingredients. our commitment to scratch-made cuisine shines from our bread to desserts. our menu is designed around the concept of shared dining. we believe that appetizers and entrees should have died in the 90s...

all of our plates are perfectly portioned to encourage sharing among friends and family. this communal approach allows you to explore the diverse flavors of each season, creating a unique experience savoring a variety of dishes—whether you create your own multi-course menu a la carte or allow us to guide you through the season with our 5-course tasting menu.
